**The Vermont Movie is awarding two prizes as part of the WRIF Freedom and Youth Film Contest and WRIF's Emerging Filmmaker Contest.**

*Two Vermont Movie Awards:*

*- Middle and High School (\$250)*

*- College and Young Adult (\$500)*

**The Vermont Movie** and **Upper Valley Arts** are excited to offer two awards for short films that express the spirit of *Freedom & Unity: The Vermont Movie*. Known as *The Vermont Movie*, this collaborative series of 6 films about Vermont was made by professional Vermont filmmakers who will judge the submissions. In addition to the cash awards, the winners will receive feedback from the judges.

We are looking for creative films that dig under the surface of Vermont or New Hampshire, to uncover stories about history or contemporary issues that are not well known or that challenge stereotypes.
